

Technical drawing of a mechanical part, showing a side view and a cross-section. The side view is a rectangle with a width of 32 and a height of 110. The cross-section is a rectangle with a width of 350 and a height of 880. The cross-section is divided into three sections by two vertical lines, with dimensions 60, 350, and 60. The side view is divided into three sections by two horizontal lines, with dimensions 60, 350, and 60. The total width of the side view is 32, and the total height is 110. The cross-section is shown in a dashed line, indicating it is a hidden part of the object.
